

RSR were tasked
with a **complete
refurbishment** of
Ravenburger's
offices in Bicester.

Ravensburger

Location Size: 5500 sqft
Industry: Games and Puzzles
Project Length: 12 Weeks
Project Value: £400,000

Ravensburger 's office in Bicester is the UK arm of the well known German jigsaw puzzle and game maker

Their first game was released in 1884 and are now world leaders in the game and puzzle industry

Over 12 weeks RSR were tasked with the **interior design**, **full M&E design** all completed in-house

The refurbishment included **reception and office space**, **chill out zones**, **kitchen areas and toilets**. The boardroom and customer facing was the main focus of the design creating a **bespoke boardroom table** and **display units**

Scope of works

Design, Supply and Installation of the following:

Partitions and ceilings

Bespoke design and finishing of unique lighting and power

Tea Point and fully fitted kitchen

WC and shower room Installation

Furniture installation including bespoke boardroom table and display units

Full HVAC installation

Data cabling and comms room cabinets

Small power installation and new distribution boards

EV charging points

A long white table with a glass display case containing a detailed wooden train set. The train set includes various tracks, locomotives, and accessories like a helicopter and a bridge. The table is surrounded by grey chairs in a room with blue acoustic panels. A green banner on the right reads "Ravensburger".
