Discover the stylish, versatile and aesthetic freestyle

Introducing the Synergy, crafted with precision using a high-quality 10mm depth acoustic sheet, topped with a customizable 2mm acoustic sheet that allows for intricate CNC patterns.

Our standard sheets measure 1220 x 2440mm, but we take customization to the next level by offering heights of up to 3000mm.

And that's not all – at your request, we can elevate the Synergy even further with the addition of a third layer, giving you unparalleled acoustic performance tailored to your specific needs.

Elevate your space with the Synergy – where innovation meets customization for an acoustically stunning experience!
